

THE FLASHING, DASHING WIRELESS WEATHER ALERT CLOCK RADIO SYSTEM

ZoneGuard⁺

**Be prepared.
In any room.
At any time.**

WEATHER THE STORM

In style. This sleek and super advanced weather alert clock radio system will make sure you're safe and sound and in the know. Beacons flash on the base station and warnings blare... on every unit, to keep everyone aware and informed.

IN EVERY ROOM

The base station and two wireless modules will make sure you're in the know throughout your home. Additional modules available for purchase as accessories¹.

STAY ALERT

With S.A.M.E. technology (Specific Area Message Encoding), just enter your S.A.M.E. county code and if there's a weather advisory, watch or warning you'll see it—with flashing red, orange or green lights—and hear about it, too... on every unit. You can set up to 25 locations so you'll be safe, wherever you are.
